### A Franchise Game Changer: What the One Big Beautiful Bill Act Means for You

This month, we’re sharing an insightful Franchise Times article on the *One Big Beautiful Bill Act* — landmark federal legislation that delivers significant tax relief and planning opportunities for franchisees and small business owners. From preserving and expanding key deductions, like the 199A pass-through benefit and 100% bonus depreciation, to new provisions affecting estate planning and employee incentives, this bill is poised to shape financial strategy and growth potential across the franchise sector. If you want a clear, franchise-focused breakdown of what the Act means for your business, this is a must-read.
